### How we can help others by donating to the Catholic Relief Services Rice Bowl

### FROM FARMING TO FISHING

Raul and Rhodora were coconut farmers in their town in the Philippines, but it took a lot of work before they made money. They participated in a Catholic Relief Services program that helped them build their own fishpond to raise and sell fish. The fish provide nutritious food for their family and more accessible income, enabling Raul and Rhodora's granddaughters to attend school. What changes have you made in your professional, personal or spiritual life that have benefited others? Visit [csrricebowl.org](http://csrricebowl.org) to learn more.

**Please** notify Jan A if there is a reason your child will be unable to attend class. This helps our teachers to plan.

### Mini Lenten Retreat

We have been praying for vocations to the priesthood over the past several months. In light of that, I have asked seminarians from the Religious Order of the Legionaries of Christ to join us on **March 25-26** to give a meditation at each Mass after Holy Communion. So as not to prolong the Mass the sermon that weekend will be very brief. The seminarians are referred to as "**Brother**". Three of them will be with us that weekend. They are studying for priesthood in Cheshire, Ct. Close to 100 young men are in Cheshire preparing for priesthood. As we pray for Diocesan priesthood we also pray for Religious priesthood. Please give a warm welcome to the seminarians. They will speak to us on the Eucharist.
